Rendezvous Sports (Saturday 2-4 PM, the \$5.00 fee is the same regardless if the hedgeie runs all the events or only one).

Each hedgehog needs their own exercise ball. (The Superpogs vendor table will have a limited number of balls available to purchase.)

Games include:

Rendezvous Sprint--fastest hedgeie to the end of the track wins and advances on to the next heat
Think drag racing.

The Mealworm Stalk--Points are given for how successful the hedgeie is in “hunting” down those cartoon mealies on a closed course.

Musical Colors--this is the hedgeie version of musical chairs. The music of The Pog Chit Chat Band will be used.

Marathon Run--hedgehogs race on a circular course to see how far they can race in five minutes.

Remember, when traveling the exercise balls unscrew and the halves nestle into each other. Don't forget your tool for reassembling them!
